Subject:	Legal Deeds – Noble's Park, Douglas

Question:

**"Please can I have a copy of legal deeds, or such documents, relating to the ownership of Noble's Park in Douglas. Documentation to start from when the land was transferred/gifted/given to the organisation that is now known as Douglas City Council. Documents to include land deeds or similar documents (including diagrams, drawings etc), variations of those deeds (or other documents providing this information) including variation of usage, any amendments that have had or do have an effect on the usage of the land. Also, the same documents relating to what can be done with the land for example, what can be built on it, whether it should remain as grass covered and if it can be concreted/tarmaced or covered in any other non-grass covering, if it can be sub-let (for business or other use) and under what conditions those contracts must/can/should be under. I am not asking for copies of any letting/leasing contracts as part of this FOI submission."**

Response:

Please find attached copies of all the legal deeds the Council hold in relation to the ownership of Noble's Park.
