Permission is granted subject to the following conditions;

- That no nuisance or annoyance should be caused to members of the public by the street trader.
- That all traders retain a copy of this licence and present it for inspection by a Police Officer or City Warden on demand whilst trading.
- That the site in which the street trading takes place is left in the same condition as found. Douglas City Council reserves the right to remove all litter and debris and to reclaim any costs incurred from the trader.
- The street trader must ensure that there are no trip hazards, such as trailing cables, which could be a danger to the public. Health and Safety should be assessed and the environment should remain safe at all times.
- All traders must adhere to any road closure restrictions in the area on each trading day.
- Douglas City Council will not be liable for any damage to the contents of the trading site.
- Douglas City Council will not be liable for any injury caused by the street trader to any member of the general public.
- All electrical equipment being used must be suitable for the purpose for which they are being used and must have a valid P.A.T certificate.
- If three complaints or more are received from existing businesses about a Street Trader, their licence will be ended.
- Use of generators is not permitted.
- If insurance expires during the street trading licence period, it is the licence holder's responsibility to ensure that a copy of the new insurance certificate is sent to the City Centre Manager using the contact details below. This must be done before attending any further markets.
- Douglas City Council's Single Use Plastics policy must be adhered to at all times (policy attached) .
