Subject:	Exercise equipment in Noble's Park – Injury

Question:

“How many people have claimed injury due to using the exercise equipment in Nobles Park during the last year?”

Response:

The Council confirms that there have been no insurance claims made relating to injuries sustained using the exercise equipment in Nobles Park. In addition, no individuals have written to the Council to complain or report that they have been injured. This information covers the period from 12 November 2024 to today's date.
